Certificate of Learning

K. SREESH REDDY

has completed the following course

Data Science Bootcamp 2021 : Introduction

4hr,25min	**50**	**Beginner**
Total Duration	No. of Lessons	Level of the Course

Issued on **21st January 2021**   Certificate Link: **learnmall.in/cert/IED280270**

LEARNER

K. SREESH REDDY

has completed the following course

" Data Science Bootcamp 2021 : Introduction "

▶ Course Segementation: **Business > Analytics > Data Science**

▶ Duration: **4 hours 25 minutes**

▶ Level: **Beginner**

▶ No. of Lessons: **50**

▶ Issue Date: **21st January 2021**

Course Syllabus

▶ **What is Data Science ?**

- Venn Diagram
- Pipline

▶ **Data Exploration**

- Exploratory graphs
- Spreadsheets
- Python
- Data exploration using R
- SQL
- Web Formats

▶ **Mathematics**

- Algebra
- Systems of Equations
- Calculus
- Big O

▶ **Machine Learning**

- Decision trees
- Ensembles
- Naive Bayes classifiers
- Artificial Neural Networks

▶ **What is Data Governance ?**

- The role of data in the 21st century
- Data governance definition and basics
- The principles of data governance
- Data governance focus areas
- When does an organization need data governance ?

▶ **Managing a Data Governance Program**

- Managing and maintaining data governance

- Monitoring and measuring your program

▶ **Data Mining: Preliminaries**

- Data mining prerequisites
- Algorithm prerequisites
- Software prerequisites

▶ **Data Reduction**

- Goal of Data Reduction
- Algorithm for Data Reduction
- Data reduction in R
- Data reduction in Python

▶ **Clustering**

- Clustering goals
- Clustering data
- Clustering in R
- Classification in Python

▶ **Classification**

- Classification goals
- Classification data
- Classification in R
- Regression analysis in Python

▶ **Regression Analysis**

- Regression analysis goals
- Regression analysis Data
- Regression analysis in R
- Regression analysis in Python

▶ **Sequential Patterns**

- Sequential mining goals

- Sequential mining algorithms
- Sequential mining in R
- Sequential mining in Python

▶ **Text Mining**

- Text mining goals
- Text mining algorithms
- Text mining in R
- Text mining in Python
